The registration fee and cost for lodging and flight (Korea-Tokyo) of special lecturer (one from Korea) will be covered by the 96<sup>th</sup> Annual meeting of Japanese Pharmacological society. I am sorry that the support of airfare is for economy class flight or discount business class due to the rule of the Annual meeting.

Following the custom of previous Korea-Japan Joint Seminar on Pharmacology, the lodging fee for one night has been set at 120,000 Won (12,000 Yen). In fact, the lodging fee is higher than this value in Yokohama. So the 96<sup>th</sup> Annual meeting of Japanese Pharmacological society will pay the difference to support the lodging.

We will reserve InterContinental Yokohama Grand ( <https://www.ic yokohama-grand.com/en/> ), the headquarters hotel of the Annual meeting, next to Pacifico Yokohama Conference Center at least for senior attendee from Korea.

The 96<sup>th</sup> Annual meeting of Japanese Pharmacological society is now continuing the effort of fund raising to prepare more financial support. We will do our best for it.

Thank you for your cooperation.

Naohiko ANZAI

Chairman of the 24th Japan-Korea Joint Seminar on Pharmacology
