

The 96th Annual Meeting of
the Japanese Pharmacological Society

The 24th Japan-Korea Joint Seminar on Pharmacology

Japan-Korea Joint Session of the 96th Annual Meeting of the Japanese Pharmacological Society

INVITATION

Dear Colleagues,

It is our great privilege to invite you to participate in the 24th Japan-Korea Joint Seminar on Pharmacology which will be held in Yokohama on December 2nd, 2022 as a whole day session of the 96th Annual Meeting of Japanese Pharmacological Society (November 30 -December 3rd, 2022).

This will provide an outstanding opportunity for basic scientists to exchange the latest and most exciting knowledge in Pharmacology.

The Organizing Committee will do everything possible to ensure that those attending will be provided with an excellent scientific program which includes most recent developments in basic pharmacology. There will be invited lectures, oral presentations, and poster sessions as well as social events. The participants are also welcomed to attend the sessions of annual meeting.

We would urge you to actively support the congress by submitting abstracts on your most recent studies to the 22nd Japan-Korea Joint Symposium on Pharmacology.

We look forward to your active participation and to welcoming you to Yokohama on December 2nd, 2022.

Naohiko ANZAI
Congress Chair
